## Our Shining stars

I have attended Catalyst coaching, Lucknow for 6 months and have been able to clear all competitive examinations in the field with good ranks (GATE: AIR 3, IIT JAM: AIR 5/Life sciences, DBT-JRF: AIR 10, CSIR-JRF: AIR 68) in my first attempt. While this in itself is a testament to the outstanding guidance provided by the coaching.

### UTTKARSH AYYANGAR

### NANDITA SRIVASTAVA

(Lucknow University)

Pursuing research  
in IMT Chandigarh

I have qualified CSIR-JRF/NET DEC 2018 with AIR 67 and GATE XL 2019 with AIR 633. I owe my success to the faculty of CATALYST COACHING especially Rupendra Sir, Anubha ma'am and Shama Ma'am. The books published by the coaching i.e., Life Science vol I and II, MCQ book as well as Aptitude book are very well prepared and are the foremost reason behind my achievement.

After completing my Master's Degree in Zoology (2019) from University of Lucknow, I joined Catalyst Center of Excellence with a dream to qualify the Joint CSIR-UGC JRF examination. I considered myself to be an average student. I was looking for a right direction and the faculty here at this institution given me that direction with proper guidance. The confidence I gained here helped me to qualify CSIR JRF Dec 2019, GATE XL 2020, DBT JRF (Category I) 2020 and several other competitive exams of Life Sciences. All credits to the excellent training provided by Rupendra Sir & his team who always boosted me up and kept me away from negative thoughts of failure.

Joining catalyst along with my M.Sc. was the foremost step towards my aim of cracking CSIR NET JRF and I was able to get through CSIR NET JRF with AIR 31 and GATE (AIR 476) while doing my M.Sc. Faculty members Rupendra sir, Anubha mam, Shama mam have been more than just teachers in terms of their round the clock support and guidance. the tips and tricks given in the centre proved to be extremely helpful for me in qualifying CSIR exam.
